

Active Winter 2014

23RD JULY TO 10TH OCTOBER

Wednesdays 5.45pm – 6.45pm
Fridays 10.30am – 11.30am

Both sessions will be located at Newstead Hall
on the corner of Abbot and Campbell Streets.

Do you struggle staying active in winter?
Do you hide indoors away from the cold?

Then why not join us; Active Winter includes two sessions a week that are held indoors and is aimed to provide a supportive group environment for adults to participate in physical activity during the colder Tassie months.

With the safety and convenience of an indoor setting, the Active Winter program will allow participants to explore different approaches and styles of fitness by trying a variety of activities. A range of fitness levels will be catered for and allow people to work at their own level in a safe and supportive environment. If you have tried or find Active Parks fun and fitness or Stretch and Strengthen appealing then this program is likely to appeal to you!

This program will also align with the University of Tasmania semester two and the launch of the "Foundations of Active Living Unit", this is a wonderful opportunity for you to learn more about healthy communities whilst staying active and your participation is strongly encouraged; fees are exempted. For more information see the reverse of this flyer or go to www.activelaunceston.com.au and click on 'About Active Launceston' and follow the links.

- Please bring a Yoga mat or a towel to each session
- Please note in 2014 sessions will be held on ALL public holidays
