Where: Youngtown Primary School, Scotch Oakburn College Junior School and Launceston Church Grammar Junior School

What: Coordinate a walking and / or riding event for the school on behalf of Active Launceston.

When: Term 3, 2009

Background and Service Required: Active Launceston is offering three schools in the Launceston municipality direct support to achieve the 'Stride and Ride' criteria as part of the Move Well Eat Well program. Active Launceston will assist each school to plan and facilitate a cycling and / or walking focussed activity for term three 2009.

In turn the provider will promote other Active Launceston initiatives to the school, students, teachers and families.
